DETAILED ACTION

Election/Restrictions

1. Applicant's election without traverse of group I, sub species of Figs 1 – 6 (claims 1 – 6) in the reply filed on 06/09/2006 is acknowledged.
2. Claims 7 – 15 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected group, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 06/09/2006.

Information Disclosure Statement

3. The listing of references in the specification is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609.04(a) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892, they have not been considered.

Claim Rejections - 35 USC § 112

Art Unit: 3663

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

5. Claim 3 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The term "...substantial inverted position,..." is a relative term. It is not known what all is meant and encompasses by the term.

6. Claim 1 recites the limitation "the side" in line 9. There is insufficient antecedent basis for this limitation in the claim.

Claim 2 recites the limitation "the rotation" in line 3. There is insufficient antecedent basis for this limitation in the claim.

Claim 4 recites the limitation "the lower face" in line 2. There is insufficient antecedent basis for this limitation in the claim.

Claim 4 recites the limitation "the upper face" in 3. There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

7. Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claims 2 – 4 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Claims 5 – 6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
